

Two Chosen To Attend Mock Confab

Rosemary Heath and Jerry Fink are this year's participants in Girls' and Boys' State. These two delegates were chosen from the many juniors who applied to the counselors and the administration on the basis of leadership and scholarship.

The Girls' and Boys' State is sponsored and financed by the American Legion and will take place at the University of California at Davis, June 17 through June 28.

The purpose of this confab is to make the delegates more aware of their role in state government and its workings by having them participate in political parties, the making of platforms and actual elections of state officials.

The governors elected from the Girls' and Boys' States and the two outstanding citizens chosen will be sent to Washington, D. C., to take part in Girls' and Boys' Nation.

Alternates chosen were JoAnn Burkus and David Ledford.

CELEBRATES . . . Arthur B. Callow, 2120 W. 240th St., recently attained his 35th anniversary with Southern California Edison Co. Callow, presently employed as a watch engineer at the company's Redondo steam station, began his Edison career as a boiler fireman in Long Beach in 1928.

goods in their most useful form.

Cake cutting ceremonies were held in the employees' lounge at the May Co. service building, Jefferson and Grand.

TWO CHILDREN, Christine Sanchez and Richard Jeanfreau, of the St. Elizabeth's Day Nursery attended to represent the hundreds of youngsters who will share the gift.

There they were met by Sam Sugarman, executive vice president of the May Co., who presented the two tons of cake-makings.

Alerton H. Jeffries, president of the Los Angeles Area Community Chest, accepted on behalf of the Chest agencies.

Piled high were the ingredients bakers said a two-ton cake would require. They included 600 pounds of butter, 112 gallons of milk, 120 dozen eggs, 1,000 pounds of flour, 1,300 pounds of sugar, 24 pounds of salt, five quarts of vanilla, and 50 pounds of baking powder.

Accidents Increase In City

Percy G. Bennett, chief of police of Torrance, recently stated that 10 per cent of the vehicles inspected during the voluntary safety check and seat belt clinic were in need of repair.

Seventy-five per cent of the defects involved lighting equipment and over 50 per cent of the lighting defects involved stop or tail lights.

Vehicle owners are required by law to keep and maintain the lighting equipment of an automobile in good working order (24252 CVC).

According to a national insurance company, 87 per cent of all traffic accidents in 1962 involved human error and certainly driving a faulty vehicle must be considered in this category, according to Bennett. Traffic accidents in Torrance for the first five months in 1962 numbered 485 with no fatalities. Traffic accidents in the city for the first five months of this year totaled 532 with four persons killed.

Bennett urges all citizens to contribute to the safety of the city's streets by keeping motor vehicles in efficient working condition.

Originality is simply a pair of fresh eyes. — Thomas W. Higginson.

Buick Sales Hit 10-Day Mark in May

Buick dealers enjoyed the best 10 days of selling this current model year as they delivered 19,050 cars during the last 10 days of May. R. S. Withers, general sales manager, announced yesterday.

Alec Waugh to Speak at HC

Alec Waugh, author of "Island in the Sun" and "Fuel for the Flame" is one of the speakers scheduled for the Harbor College Forum Series next fall.

Other speakers slated include Senator Paul Douglas of Illinois; Don Rogan, social science professor currently on world tour; the Rt. Hon. Mario Amadeo, Argentina's minister of foreign affairs, and the Occidental College choir.

Deliveries for the 10-day period far exceeded their expectations, Withers pointed out. A total of 6,857 specials and 12,193 regular units were delivered. This brought May's total deliveries to 48,059, the best since 1955. This is an increase of 39 per cent over the same period a year ago, Withers said. Previously the best 10 days of Buick's selling was September 19-20 period in 1956 when 19,549 cars were delivered.

Los Angeles Zone Manager Dave Loggins reported sales of 1,112 cars in this area for the

last 10-day May period, of which 640 were regular-size Buicks and 472 were Specials.
